Median HH income (submarket)	\$84,300
Comp set avg. asking rent / SF	\$2.04
Competing pipeline (3 mi)	1 project, 180 units

08 INVESTMENT THESIS

Riverbend Crossing pairs an already-conditionally-approved rezoning with strong in-migration into the North Cabarrus / I-85 corridor, underwriting to a Year-1 Auto-YOC of 6.71% and a 5-year Auto-IRR of 14.4% at a 5.25% exit cap. The primary swing factors are hard-cost escalation and confirming utility capacity ahead of closing.
